FEE STRUCTURE 2026

The Willows Nursery School is a fee paying school. School fees are payable in advance. Aftercare accounts are payable at the end of the month. We hold both parents responsible for accounts. The school reserves the right to follow the procedure of blacklisting its debtors with overdue balances of 30 days or more, as well as withholding a pupil's attendance to a new school term and withholding school reports on overdue accounts until an A.O.D. and stop order are in place. Both parents to please sign and return this form in acceptance of our fees and conditions.

A full term's written notice is required when withdrawing your child from the Willows, or otherwise one term's fees in lieu thereof. You remain liable for the school fees during the notice period.

The increases for school fees for 2026 are between 4 and 5%. Fees have been scaled to provide a saving if paying in advance per term (~5%) or per annum (~10%). Please notify the office as to how you will be paying your account so that you can be invoiced accordingly. Should the child leave the School prior to the completion of the 3 month term period or 12 month annum period, then the discount already applied for the previous months will be forfeited, and the full monthly school fee will be applied retrospectively, and the balance refunded to the parent.

The co-curricular activities of Sport, Music, Drama and isiZulu are included in the Primary fees, and Gym, Music, Yoga and Drama are included in the Nursery fee.
